

COORDINATED VULNERABILITY DISCLOSURE (CVD) POLICY

1. Reporting a Vulnerability

Advanced Mechanical Technology, Inc. (AMTI) welcomes reports of security vulnerabilities in our products.

Email: security@amtimail.com

Subject: [VULNERABILITY] Product Name - Brief Description

Please include, where possible: the affected product and version, steps to reproduce, and the potential impact. If your report is sensitive, email us first and we will arrange an encrypted channel.

2. Scope

This policy covers AMTI products with digital elements made available in the EU:

Product Family	Connectivity
OPT-SC, GEN5-SC	USB
EPS-SC	Ethernet
VIVO	Ethernet
MOBIUS	USB / CAN
ACS-O, ACG-O, ACM-O, ACP-O	USB

OPT-SC units classified as medical devices are handled under separate medical device regulations and are not covered by this policy.

To protect our users, their data, and our equipment, please keep your testing within scope. The following activities are not authorized and are not covered by the good-faith assurance under this policy:

- Denial-of-service testing
- Physically damaging devices
- Accessing, modifying, or deleting data that is not yours
- Social engineering of AMTI staff or customers
- Public disclosure before an agreed timeline

3. What to Expect

We will acknowledge your report, assess it, and prioritize remediation based on severity. We coordinate disclosure timing with you before any public release and keep you informed of progress. Security updates are provided free of charge during the product's declared support period. We will not pursue legal action against researchers who act in good faith under this policy.

4. Regulatory Reporting

Where required by law, AMTI reports actively exploited vulnerabilities and severe security incidents to the relevant European authorities, including ENISA and its designated national CSIRT (BSI CERT-Bund, Germany).

5. Contact

Advanced Mechanical Technology, Inc.
